Continua Aluminum Channels
an essential accessory for clean, efficient, and high-impact linear lighting installations

**Surfa® 2 Surface Mount Channel**

The Surfa 2 is ideal for general low-profile corner mounting of LED tape light so that it shines at a 45 degree angle from the surface. Surfa 2 corner connectors can be used to link channel section seamlessly around corners, while straight connectors can join straight sections of channel for longer runs. Surfa 2 is perfect for directional lighting.

- Thermally-balanced design for maximum cooling
- Channel covers protect LED tape light
- Diffuser covers provide smooth light diffusion with no hotspots
- Full range of accessories for a great-looking installation
- Complete kits available to create a finished fixture
