

NWE Wall Sconce

Elbow

Lamp: 60W Candelabra
 40W G9 Halogen
 50W 12V Bi-Pin GY6.35

PRODUCT DESCRIPTION

Surface mount steel canopy with soft elbow curve. Mounts directly to the junction box and includes a universal mounting ring. A variety of unique glass colors and shapes allow each application a distinctive personality. A sconce can compliment pendant fixtures mounted on track or rail. Order glass and lamp separately (NWE-19 includes lamp).

Features

- Universal mounting ring.
- Accommodates hundreds of glass shades in a variety of styles, colors, and textures.
- Variety of lamps sources.
- Line or low voltage.
- Mounted upward or downward position.
- Electronic transformer included (low voltage).

Dimming

Line Voltage may be dimmed with a standard incandescent dimmer.
 Low Voltage requires a low voltage electronic dimmer.

Transformer (NWE-46 only)

60W Electronic transformer is included for mounting in the junction box.
