NORA NEWS

— NEW PRODUCT ANNOUNCEMENT —

VANGUARD SERIES

ENERGY EFFICIENT CERAMIC METAL HALIDE AND LOW VOLTAGE

Delivering high performance, unparalleled energy efficiency and a clean, uncluttered look, Nora Lighting introduces the Vanguard Series, a new line of robust track fixtures. Designed with the latest low-wattage ceramic metal halide and low voltage lamp sources. Lamp housings are finely crafted of die-cast aluminum and most models feature a hot-aiming wand that is cool to the touch for proper optical alignment and consistent performance. Available in black, silver and white finishes.

FEATURES

SLIM VERTICAL BALLAST

Up to 70W CMH

ROBUST DIE-CAST ALUMINUM HOUSING

FULL ADJUSTABILITY

358° Horizontal and 180° Vertical adjustment

INDIVIDUAL ON/OFF SWITCH

Provides easy lamp replacement

POSITIVE VERTICAL LOCKING

for precision accuracy
